SRO and Road Patrol's did participate in the Governors Traffic Safety initiative by having Officer's ride on the school bus and having Road Patrol's follow school busses.

SRO's will be meeting with the after school program and will be teaching classes and speaking with kids about having a safety plan when on vacations.

SRO's also gave a tour of the station to a student, and that student also participated in the child safe program and the child safe program was placed on the departments Facebook page so parents can make appointments for their children to participate.
