

**WE CAN'T HELP YOU,
IF WE CAN'T FIND YOU!**

**FIRST RESPONDERS & POSTAL CARRIERS CANNOT FIND YOUR HOUSE WITHOUT AN
ADDRESS NUMERAL**

**Fire Code of NYS Section 505.1 and Property Maintenance Code of NYS 303.3
Require the following:**

- (1) new and existing buildings shall have approved address numerals*
- (2) the numbers shall contrast the background*
- (3) the Arabic numbers shall be a minimum of 4 inches in height with a stroke
of 0.5 inches*

Exception: Buildings identified as a part of countywide 911 numbering system.

**VERY VALUABLE TIME IS LOST DURING AN EMERGENCY, IF THE EMERGENCY
RESPONDERS HAVE TO SPEND TIME TRYING TO LOCATE YOUR HOUSE.**

Thank you in advance for your prompt attention
